Dear Families,

Year 11 Uniform

We are looking forward to your child starting a new year at Dixons Croxteth Academy in September. I am writing to inform you of the details of our Academy uniform expectations for Key Stage 4 (year 10 and 11).

As you are aware, in order for our older students to have more autonomy and to have a suit which they can wear to interviews in the future, our Key Stage 4 students can wear their own plain black, grey or navy suit. Specific details are in the attached appendices. Please note a change, that students are not allowed to wear smart watches from September.

We expect our students to meet our expectations of 100% correct uniform every day. At Dixons Croxteth Academy we want our students to be successful and climb the mountain to university or a real alternative. Uniform is one of our six learning habits. We believe uniform is very important because it prepares students for the world of work, gives us pride in our Academy and promotes equality. By helping your child to achieve our learning habit of perfect uniform every day you will be supporting your child and the Academy in achieving our mission.

Our core values are Hardwork, Integrity and Fairness and you can support your child to live these values by ensuring they have the correct uniform. We will ensure students are aware of our expectation that uniform is worn correctly at all times and we will encourage students to wear their uniform with pride in school and in the community.

The way students wear their uniform is just as important as what they wear. Equipment and personal items should be stored in the student's locker (to be provided for all students 2023-24), not in the pockets of the blazer as this damages the blazer over time and looks untidy. Mobile phones must be switched off and put away in the school bag. If phones are seen they will be placed in the school safe until the end of the day. On the second occasion, the phone must be collected from the Academy by an appropriate adult.

Students have the opportunity to correct their uniform by speaking to a member of the pastoral team before 8.20am each morning. A half hour same day correction will be given for incorrect uniform.

Thank you for supporting your child to wear 100% correct uniform every day. Please see the attached appendices for a detailed breakdown of uniform expectations and illustrations of correct and incorrect items of uniform

Yours faithfully

Iain Duggan
Principal
